

# Stop The Spread Of Infection With Disposable Fitted Sheets

- Reduces cross-contamination.
- Reduces changeover time.
- Options durable enough to aid patient transfer up to 400 lbs.
- Minimize stretcher cleaning with fluid-barrier protection.
- Maintains professional, clean appearance.
- The comfort of linen while eliminating the associated overhead.

## PocketFit®

- Fits standard stretchers and gurneys.
- Available in fluid-resistant.
- Sewn pockets (no elastic) allow sheet to slip on and off mattresses quickly and easily.

## PowerFit®

- Fits oversized stretchers and beds.
- Available in fluid-resistant and fluid-barrier.
- Latex-free elastic corners create an easy and secure fit.

## SnugFit®

- Fits standard and large stretchers and gurneys.
- Available in fluid-resistant and fluid-barrier.
- The latex-free elastic fitted design keeps sheet tight and flat to prevent slippage during patient movement.
